

Request for Quote – Jaffrey Bible Church Surveillance and Intercom Systems

The Jaffrey Bible Church (JBC) is an Evangelical fellowship of believers whose foundation is the Holy Bible to grow in Christ and be a witness for Him in our world. We believe in the Person of God – Eternally existent as Father, Son and Holy Spirit (Trinity). Our mission is to be “Fully committed followers of Jesus Christ, while leading the lost to Him.” We do that by sharing the Scriptures, supporting ministries and providing community assistance during local emergencies.

Goals:

1. Develop a quote for design, supply and installation of surveillance and intercom services.
2. Our goals are to provide interactive systems that allows JBC members to monitor church services / other key events both outside and inside church facilities (in total). Interactive systems will function throughout utilizing current facility structures.

Detailed specifications (performance work statement) include:

1. Install an adequate amount of surveillance devices to encompass complete facility interior and exterior visualization and intercom devices.
2. Capacity to view surveillance devices in a centralized location for situational awareness when / if required.
3. Provide initial utilization training upon completion of installation listed above.
